ZENPRO

HOTEL MINIBAR SOLUTIONS

ZENPRO

COMPANY PROFILE

Guangdong Zenpro Electrical Appliances Co., Ltd. is a professional hospitality appliance supplier focused on hotel minibar solutions. Under the Zenpro brand, we provide practical and reliable products for hotel guest rooms, including thermoelectric minibars, absorption minibars, compressor minibars, safes, kettles and hair dryers.

Based in Shunde, Foshan, Guangdong, Zenpro understands that hotel guest room appliances are not only about function, but also about guest comfort, low-noise operation, room aesthetics, energy efficiency and long-term reliability. With thermoelectric minibars as our key focus, we offer multiple cooling solutions to meet different project needs.

ZENPRO

CORPORATE STRENGTHS

1. Hotel Minibar Expertise

We focus on hotel minibar solutions and understand the practical needs of hospitality projects, including room fit, low noise and daily usability.

2. Multiple Cooling Technologies

We offer thermoelectric, absorption and compressor minibars, helping customers choose the right solution based on project needs and market positioning.

3. Thermoelectric Minibar Focus

With thermoelectric minibars as our key product line, we provide low-noise solutions designed for better guest room comfort and application.

4. OEM/ODM Support

We support private label cooperation with branding, packaging customization, product matching and other flexible OEM/ODM services.

5. Selected In-room Product Supply

In addition to minibars, we also offer safes, kettles and hair dryers, helping hospitality buyers simplify sourcing.

6. Reliable Production & Export Coordination

With production support, quality inspection and export coordination experience, we provide responsive communication and dependable order follow-up for international customers.

THERMOELECTRIC SILENT MINIBAR

Quiet Comfort Beside the Bed

A low-noise minibar solution designed to support a calmer and more restful guest room experience.
